

2019 UNIVERSAL Children's Day

**GLOBALLY, WE
SUPPORT AND
PROTECT 63,000
CHILDREN IN
31 COUNTRIES**

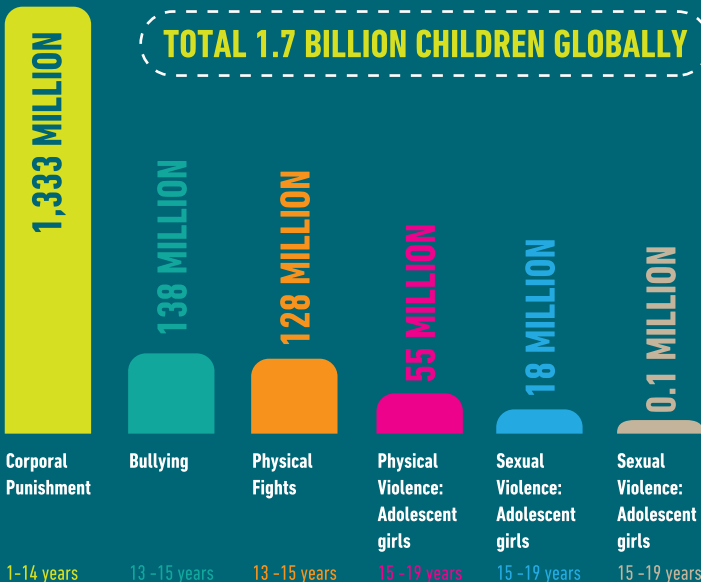

**At least 3 out
of every 4 of the
world's children**

experience some form of
inter-personal violence, cruelty
or abuse in their daily lives,
regardless of whether they live
in rich countries or poor, in the
global North or the global South.

GLOBAL BURDEN OF VIOLENCE AGAINST CHILDREN

TOTAL 1.7 BILLION CHILDREN GLOBALLY

**Sexual violence against
girls was most prevalent
in Africa where more than
one in every ten
adolescent girls aged
15-19 had experienced
some form of sexual
violence in their lifetimes.**

MALI - CHILD PROTECTION CHANNELS OF HOPE

BACKGROUND: The project organized

3 training sessions

for 200 faith (170 male - 30 female) and community leaders

2 training sessions

for 400 orphan guardians (250 male - 150 female), 30 volunteers
(10 male - 20 female), 15 suppliers (10 male - 5 female)

3 trainings sessions

for 200 children (100 boys - 100 girls).

At the beginning and at the end of these trainings, pre-training tests and post-training tests were administered.

OUTCOMES:

The results shows that initially only 5% of attendants had knowledge on what Gender Based Violence, child rights, child abuse, violence, positive discipline and early marriage were, the post-tests indicated that 100% of attendants now knew.

Approximately 75 cases of abuse were being reported across all 17 schools to the School Management Committees or Village chiefs each month, the end line has shown that only 15 cases of abuse are now reported on a monthly basis.

Channels of Hope Action Team members and Child Protection Clubs have held 15 awareness campaigns, contributing as agents of social change in securing administrative documents for 200 children alongside authorities and stopping 45 parents from proceeding with Early and Forced Marriage of their girls.

YEMEN

7500 children received support in psychosocial support, hygiene, health and Disaster Risk Reduction in a total of 720 sessions conducted.

16 schools have been rehabilitated up to the safety standards of safety and pedagogic norms providing child friendly spaces for children affected by war.

LEBANON

Our psycho-social support projects have reached more than **1,000 children**.
